Posted On: 25 JUL 2019 5:29PM by PIB Delhi

Raksha Mantri Shri Rajnath Singh launched here today a Dashboard of Department Defence Production (DDP), Ministry of Defence, to help in effective monitoring of various initiatives and schemes of the department.

Secretary (Defence Production) Dr Ajay Kumar explained the features and the main objectives of the Dashboard. He informed that through this initiative, the Ministry will be able to keep track of the major components of Defence Production, including defence exports, defence offsets, Intellectual Property Rights (Number of Patents registered) and Mission Raksha Gyan Shakti. He also gave a detailed account of the subjects on which the Dashboard will have capsulated information in a user-friendly interface that include defence projects under 'Make in India', startups in defence sector, investments in defence corridors in Uttar Pradesh and Tamil Nadu and artificial intelligence projects in defence.

The dashboard is available for the general public at www.ddpdashboard.gov.in. Some of the data on the dashboard is available for restricted viewing under access control.

Raksha Rajya Mantri Shri Shripad Yesso Naik and other senior officials of the Ministry were present on the occasion.
